

Canadian Aluminum and Steel Tariffs to Double March 12

In response to Ontario Canada's decision to place a 25% tariff on the export of electricity purchased by the U.S., President Trump has decided to double to 50% the tariffs set to be imposed tomorrow, March 12.

He has also cited that Canada is one of the highest tariffing nations, and said he wants Canada to immediately drop their Anti-Farmer Tariff of 250% - 390% on various U.S. dairy products to name some tariffs of what he considers egregious
