CBP Opens CAPE Phase 3 to Next Wave of Importers

CBP gave access to the third phase of the Consolidated Administration and Processing of Entries (CAPE) refund system to another wave of importers, according to an email we obtained that was sent by the agency to importers' attorneys on Oct. 20.

Importers who filed suit against the International Emergency Economic Powers Act tariffs and submitted importer of record numbers to the agency between July 31 and Aug. 13 qualify for this wave of access to CAPE Phase 3. CBP launched Phase 3 on Oct. 6, and it was previously limited to importers who submitted their importer of record number by July 30.
