## Toll Rate Increase

The Port Authority of NY/NJ has passed their budget for 2023, in which they included provisions for a toll increase. The links below will take you to the new toll increases that will take effect on January 8, 2023, and there is also a link showing the old amounts so you can see just how much of an increase is going into effect. We will begin billing the new rates for any shipment handled on/after January 8, 2023.
